<b>Share Classes</b>	<b>Total number of outstanding shares</b>	<b>Total number of voting rights</b>
Ordinary shares	49,522,056	66,732,732
Class B Preferred Shares <sup>(1)</sup>	45,134	0
Class C Preferred Shares <sup>(2)</sup>	262,794	262,794
Class D Preferred Shares <sup>(3)</sup>	6,000,000	0

- (1) *The terms and conditions of the Class B Preferred Shares are set forth in paragraphs II and III of article 11 of the AB Science by-laws. Without the following description being exhaustive, the Class B Preferred Shares will only confer upon their holders financial and voting rights at ordinary and extraordinary shareholders' meetings as from the day they become convertible into ordinary shares, i.e. January 1, 2025 (the conversion being dependent on criteria related to operational objectives and the evolution of the share price).*
- (2) *The terms and conditions of the Class C Preferred Shares are set forth in paragraph IV of article 11 of the AB Science by-laws. Without the following description being exhaustive, the Class C Preferred Shares confer upon their holders the same rights as ordinary shares with respect to financial rights and voting rights at ordinary and extraordinary general meetings.*
- (3) *The terms and conditions of the Class D Preferred Shares are set forth in paragraphs V and VI of Article 11 of the AB Science by-laws. Without the following description being exhaustive, the Class D Preferred Shares shall not confer upon their holders any voting or financial rights until AB Science has obtained two marketing approvals (from the European Medicines Agency or the U.S. Food and Drug Administration) for one or more of its drug candidates in two different indications, such two marketing approvals to be obtained no later than December 31, 2030.*
