

TWO NEW FINANCIAL ANALYSIS FIRMS INITIATE COVERAGE OF AB SCIENCE

Paris, March 6, 2024, 8.15pm CET

AB Science SA (Euronext - FR0010557264 - AB) announces that two financial analysis firms, DNA Finance and In Extenso Finance, have initiated the coverage of the Company.

DNA Finance estimates that AB Science stands out as a compelling investment opportunity in the biotech sector.

In Extenso has initiated a strong buy opinion on the share.

These new coverages aim to strengthen the AB Science visibility among French and international institutional investors and to broaden its investor base. They are in addition to the coverage by Chardan, an investment bank based in the United States and specialized in biotechnologies and health technologies.

Both DNA Finance and In Extenso reports are available on the AB Science's website in the "Analysts coverage" section: <https://www.ab-science.com/investors/analyst-coverage/>

DNA Finance specialises in equity research for listed companies in the healthcare sector.

In Extenso is a leading provider in strategic consulting and valuation and equity research services. It has the listing sponsor status and supports companies listed on the Euronext, Euronext Growth and Euronext Access markets.

About AB Science

Founded in 2001, AB Science is a pharmaceutical company specializing in the research, development and commercialization of protein kinase inhibitors (PKIs), a class of targeted proteins whose action are key in signaling pathways within cells. Our programs target only diseases with high unmet medical needs, often lethal with short term survival or rare or refractory to previous line of treatment.

AB Science has developed a proprietary portfolio of molecules and the Company's lead compound, masitinib, has already been registered for veterinary medicine and is developed in human medicine in oncology, neurological diseases, inflammatory diseases and viral diseases. The company is headquartered in Paris, France, and listed on Euronext Paris (ticker: AB).
