(1) Including 1,000,000 new shares issued under the PACT announced on 28 April 2023.

(2) The terms and conditions of the Class B Preferred Shares are set forth in paragraphs II and III of article 11 of the AB Science by-laws. Without the following description being exhaustive, the Class B Preferred Shares will only confer upon their holders financial and voting rights at ordinary and extraordinary shareholders' meetings as from the day they become convertible into ordinary shares, i.e. January 1, 2025 (the conversion being dependent on criteria related to operational objectives and the evolution of the share price).

(3) The terms and conditions of the Class D Preferred Shares are set forth in paragraphs V and VI of Article 11 of the AB Science by-laws. Without the following description being exhaustive, the Class D Preferred Shares shall not confer upon their holders any voting or financial rights until AB Science has obtained two marketing approvals (from the European Medicines Agency or the U.S. Food and Drug Administration) for one or more of its drug candidates in two different indications, such two marketing approvals to be obtained no later than December 31, 2030.

(4) Without the following description being exhaustive, until they are converted into ordinary shares, the Class E Preference Shares will not confer any voting rights, but they will benefit from a preferential dividend right equal, up to a total limit of 9.0 million euros, to the following amounts: (i) 1.25% of masitinib net sales, excluding any milestones and upfronts under a licensing agreement, and (ii) 1.25% of any upfronts and milestones.
